Meet Pepper

Everyone loves the blues! Pepper is a gorgeous Russian Blue mix who just turned 12. He is sad and lonely because his owner died, which is why he's at the shelter. He is looking for a new companion and loves fellow seniors. FULLY vetted and ready for his new family! Please view Pepper and other adoptable furbabies at monroecountyfriendsofanimals.org

Google Workspace Training

We are happy to be at a point where most volunteers in a role for program lead, Board of Directors, and business administration (about 25 people) are now oriented and working on our new communication and collaboration platform, Google Workspace. This system gives us all a professional email address, central storage, virtual meeting capability, and many productivity applications to use. This represents one more way we are growing our organization and preparing to run a professional and humane animal shelter.

Thanks to our Director, Matthew Lange, for keeping us up to date with our technology!

Betty White's 100th Birthday Fundraiser

Thanks to everyone who helped us celebrate actress and beloved animal advocate, Betty White, who recently passed away. January 17th (Betty White Day) would have been her 100th Birthday. In Ms. White's honor, we raised more than \$4,000!!! 100% of the proceeds from this Facebook fundraiser will go toward helping the animals at the shelter.

Donations are welcome at any time. Please visit: monroecountyfriendsofanimals.org/memorial-gifts.

Upcoming MCFA Events & Needs

Public Hearing

Come support us! There will be a public hearing regarding the annexation of the Kefauver property **Monday, February 7, 10:00am, in the Madisonville City Hall**. The monthly Madisonville City Council meeting will be held at 6:00pm on the same day, at which time the annexation process should be finalized. This will allow MCFA to move forward and receive a deed for the land.

We are in need of an Adopt-a-Thon Coordinator to take animals to PetSmart and other offsite locations for adoption events. This would be 4-5 events per year, 1 day each. For some shelter animals, an adopt-a-thon event may be their only chance at finding a "forever" home. If interested, please email Cathy: mcfa37885@gmail.com.

SPAY IT FORWARD pays an average \$55 to spay or neuter a dog or cat. This program uses ALL contributions to pay for surgeries in the MCFA Spay Neuter Assistance Program (SNAP), which provides free spay/neuter vouchers for low-income Monroe County residents.
