## Transport

### Louie's Legacy Animal Rescue

When the shelter is full and we don't have enough fosters to care for every animal brought in, the only option is to send them to other shelters that have more space. We work with several partners across the country to accomplish this.

Last week, Tim of Grateful Doggies drove the Canine Freedom Transport van 750 miles from Staten Island, NY, to our shelter to pick up 21 dogs and 6 cats. He then turned straight around and brought them back to New York, to be delivered to pre-selected, vetted foster homes organized by a collaborative effort between the Monroe County Animal Shelter (Jenn), MCFA (Liz), and Louie's Legacy Animal Rescue.

Louie's Legacy is a foster-based rescue we have worked with in the past at their Ohio location. This was the first time we sent animals to their other location in New York.

Upon request, the animals were spayed/neutered prior transport, which was paid for by Louie's Legacy.

*We are so grateful for their partnership and look forward to our next transport!*

## Meet Our Volunteers

# Brenda

Brenda has been an active MCFA member and volunteer since 2008. She was one of our main transporters for several years (both to distant partner shelters and local vet runs) and has assisted in many other ways, including:

- Fosters dogs
- Provides medical care to the animals at the shelter
- PetSmart Adopt-a-thons
- Community Events

Brenda and her husband also do volunteer trail work for the National Forest, and they love to travel!

*Thank you*

## Shelter Needs

### Volunteers Always Needed

Volunteers are a crucial part of the work we do and allow us to keep administrative costs low so more of our donations go to animal care.
