Ways to Support the Shelter

Become a Foster

The shelter is beyond full! Many of our transport partners are also experiencing problems with getting animals adopted. As a result, our transports are way down. At our shelter, animals are being housed in crates in the kitchen. There is absolutely no room for more, but more come in every day. If you can foster now, please go to our website: monroecountyfriendsofanimals.org, pick an animal or animals that you can foster, and call the shelter at 423-442-1015 to help reduce the population at the shelter.

Adopt

Are you looking for a couch companion? Look no further! Mila is ready! Be ready for a lovable, attention seeking sweetheart one minute and a typical Calico that says "no" the next. She is an indoor-only Dilute Calico-Long Hair, about 2 years old. She is pretty stressed at the shelter and we're looking to find her the right home soon. When Mila is happy, the sun shines and all is well with the world. When Mila is grouchy, quick head pats and offerings of broth-type foods are the best approach. Her personality may change for the better once she feels relaxed in a home again...ruling the roost. She will probably do best in a quiet home with no other pets or children. She needs to be Queen of her house.

Email animal.shelter@monroetn.com or call 423-442-1015 for more information and to schedule a meet & greet.

Meet Our Volunteers

Deborah

Deborah has been involved with MCFA since 2007. She volunteered at the shelter for several years and when MCFA opened a thrift store, she switched to helping out there. She has worked in all 3 store locations and is currently a cashier. She also manages the membership roster and is a member of the Board of Directors.

Deborah is holding JJ in the photo, one of her 2 shelter cats.
